IT SEEMS THAT YOUR BODY IS THE ONLY THING THAT HAS GROWN UP AFTER ALL THESE YEARS, BECAUSE THAT STUBBORNNESS OF YOURS HASN'T CHANGED AT ALL, I SAID, WAIT!

I WONDERED JUST WHO HAD PUT A COLLAR ON THAT GUY THE FIRST TIME I SAW HIM...

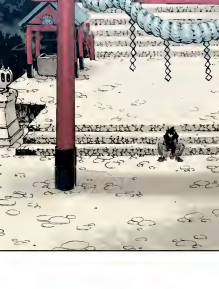
SO IT WAS YOU...

YOU IM-PRESS ME LITTLE GIRL.

I'M NOT A LITTLE GIRL! I'M A KING!

BLAVET

EPISODE 004
PART 2



O-OUCH...! THAT OLD HAG... SHE DIDN'T HAVE TO GO THAT FAR.

IS NOT BROKEN, IS IT...?

DON'T MAKE ME LAUGH...

THAT WHY AM I TRYING TO BECOME STRONGER, HUH? SAYS THE ONE WHO'S ALWAYS BEEN STRONG.

TCH...

WELL, I DO FEEL LIKE I'VE BECOME A LITTLE STRONGER AT LEAST...

OH MY...

YUUSHI-SAN, WHAT ARE YOU DOING HERE? YOU SEEM TROUBLED...

FABIANNE!

NO THANK YOU.

YOU JUST KEEP GETTING PRETTIER AND PRETTIER, ENOUGH TO MAKE ME WANT YOU AS MY WIFE...

I'M AT A LOSS FOR WORDS...

I DON'T WANNA SPEND THE REST OF MY LIFE WITH A LOSER.

IT FLATTERS ME, BUT...

...WELL THEN, WE'LL TAKE OUR LEAVE NOW.

HEY! PUT ME DOWN!

EH? FABIANNE?

YOU ARE EXAGGERATING, IT HASN'T EVEN BEEN A WEEK SINCE YOU LAST CAME BY.

UWAAAAH! MAKOTO-SAN, I MISSED YOU SO MUCH!

TELL ME ABOUT IT. IT'S KIND OF TROUBLE-SOME... JUST HOW BIG WILL THEY GET?

BY THE WAY... YOU SEEM TO HAVE GROWN BIGGER DURING THAT SHORT TERM...

I, BLAVET YUUSHI OF 18 YEARS OLD...

SHALL GLADLY HELP THE DAMSEL WITH HER PROBLEM!!

ヴォオオオ

So, this is what Yuushi-san felt...

Just what is so great about those lumps of meat?

Honestly Yuu-kun...

You mean this temple, the one no one even mentions since a hundred fifty years ago...?

Even though we're inside of such an ancient and honored temple like this one, Yuushi-san is still the same as always.

Pfft! Is this the jealousy of a clergyman who's hit rock bottom?

The person who built this temple was one of the five heroes who helped Blavet Hiroyuki defeat the demon king...

The martial artist Saeko-sama!

As a martial artist, she built this temple in order to worship the gods of all arts...

Although another theory says that it was for Blavet Hiroyuki's sake, who died from illness.

From illness?!

You say that, Blavet Hiroyuki died from an illness?

That said...

Could you restore the financial support at least?

What?

That you will send someone?!

What happened this time, has proven the lack of management on your part...

Therefore, "Mate" has decided to take care of Blavet personally from now on.

Are you people...

Out of your mind?

Do you seriously believe a Blavet is needed nowadays?

With all due respect...

How will you take this... Yuushi.

.....

Everyone thought it weird for her to have built a temple after the war, but...

Since the person who built it was said to be an icon for all women worldwide, there's no doubt that this is a temple worthy of respect.

RAMEN
Dc SANCTUARY

As always, Takeshi's ramen is the best!

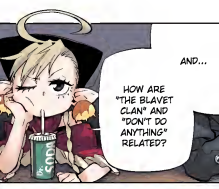
That's because he's the only one to own a stall around here.

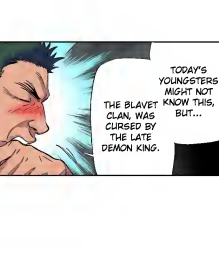
Ha ha ha...

Although originally I'm a clergyman.

A HUNDRED FIFTY YEARS AGO, THANKS TO HIROYUKI'S EFFORTS, THE WAR ENDED WITH US AS VICTORS. HOW-EVER...
BLAVET HIROYUKI WASN'T SO LUCKY. AFTER THE WAR, HIROYUKI DIED FROM AN ILL-NESS CAUSED BY THE INJURY HE RECEIVED FROM THE DEMON KING.

AFTER THAT, HIROYUKI'S COMPANIONS WHO WERE SADDENED BY HIS DEATH, LED THEM TO CON-STRUCT THE NOW KNOWN WORLD PEACEKEEPING AGENCY "MATE".
THE PEACE WE ALL LIVE IN RIGHT NOW, IS THANKS TO "MATE", WHICH BOASTS A MIGHTY ARMY.





SEE YOU NEXT
